FOUNDER AND MANAGING PARTNER

Will Seyer | Founder & Managing Partner at Blackacre

A proud sixth-generation Texan and Houston native, Will brings a unique blend of legal expertise and architectural vision to the community. His academic foundation began at Texas A&M University, where he studied architecture, followed by earning his law degree from South Texas College of Law.

After practicing real estate law for several years, Will discovered his true passion: the design and creation of custom homes. Today, he leverages his legal precision and architectural background at Blackacre to navigate the complexities of the building process. Committed to enhancing Houston's beauty, Will and the Blackacre team are focused on providing innovative design and meticulous attention to detail for every client.

Samantha | Interior Designer, Blackacre

Samantha studied interior design under Le Bouquet Interiors and now plays a vital role in the design process by guiding clients through the intricate journey of home selections. She collaborates closely with each individual to understand their unique vision, offering expert guidance on color palettes, high-end fixtures, materials, and custom layouts.

With a keen eye for detail and a passion for creating cohesive environments, Samantha ensures that every choice reflects the client's lifestyle and personal taste. Her expertise bridges the gap between architectural structure and interior elegance, ensuring that every Blackacre home is as functional as it is beautiful.
