Mold has also been reported to cause extensive damage to personal and real property. Mold may have been removed or covered in the course of cleaning or repairing the Property. The Buyer acknowledges that, if Seller or any of Seller's employees, contractors, or agents cleaned or repaired the Property or remediated Mold contamination, Seller does not in any way warrant the cleaning, repairs or remediation. Buyer accepts full responsibility for all hazards that may result from the presence of Mold in or around the Property. The Buyer is satisfied with the condition of the Property notwithstanding the past or present existence of Mold in or around the Property and Buyer has not, in any way, relied upon any representation of Seller, Seller's employees, officers, directors, contractors, or agents concerning the past or present existence of Mold in or around the Property.
10. **Real Estate Broker Commissions:** If Buyer's Broker is the procuring causes of the Agreement and the Seller agrees to compensate for such services, any payable commissions will be based upon the net purchase price (i.e. net of any and all Seller concessions). The closing agent is authorized and directed to pay said commission from the sale proceeds at closing as per the terms of the Closings Instructions (or similar form) to be provided by Seller. In no event shall any real estate broker commissions be deemed earned and payable until the closing of the purchase and sale is consummated; title passes to Buyer, and Seller receives proceeds of the sale.
