

- ✿ Extensively renovated in 1993, when the first floor was taken down to the studs and thoughtfully redesigned by architect Bobby Bryan.
- ✿ Grand two-story entry featuring double leaded-glass front doors and transom windows.
- ✿ Rotunda-style feature wall and barrel-vaulted ceiling with custom faux finish.
- ✿ Open-concept floor plan designed for comfortable living and entertaining.
- ✿ Spacious custom kitchen pantry with exceptional storage.
- ✿ Large corner lot situated on a quiet cul-de-sac.
- ✿ Circle driveway in front plus an additional triple-wide side driveway.
- ✿ Versatile flex space with wall-to-wall storage.
- ✿ Primary bedroom with ensuite bath and balcony added during a 2015 remodel.
- ✿ All rear exterior doors have been replaced.
- ✿ 2014 Upgraded to double-pane windows throughout most of the home, with the exception of three large family room windows that remain original.
- ✿ 2023 Added blown insulation and radiant barrier in the attic to improve energy efficiency.
- ✿ Two high-efficiency Daikin HVAC systems:
 - One unit replaced in 2021
 - Second unit replaced in 2023
- ✿ Water heater replaced in 2019.
- ✿ Electrical panel replaced in February 2026.
- ✿ Garage door sensors replaced in 2026.
- ✿ Du-West foundation work completed in 1993.
- ✿ Side fences replaced in 2026.
- ✿ Flat roof over garage replaced in September 2026.
- ✿ Never flooded.
