FIBERGLASS/ASPHALT SHINGLE LIMITED WARRANTY

The Limited Warranty for your Shingles is the version in effect on the date of retail purchase. Information included in this version of the Limited Warranty was current at time of printing. To obtain a copy of the most current version of this Limited Warranty, visit us online at tamko.com or call us at 800-641-4691.

THIS LIMITED WARRANTY APPLIES ONLY TO PRODUCTS INSTALLED IN THE FORTY-EIGHT CONTIGUOUS UNITED STATES AND CANADA (EXCLUDING QUEBEC AND NEW BRUNSWICK). ALL PRODUCTS INSTALLED IN LOCATIONS WHERE THIS LIMITED WARRANTY DOES NOT APPLY ARE SOLD "AS IS" AND WITHOUT WARRANTY OF ANY KIND, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

How Long Will Your Shingles Last? It is natural for your roof to age. The process begins as soon as your Shingles are installed and exposed to the harsh elements of nature. The length of time your Shingles will continue to perform their intended purpose of shedding water will depend on many factors, including weather, snow, intensity of ultra-violet radiation from the sun, pollution, and debris from nearby trees. Because no two buildings experience these and other aging factors in the same way, it is difficult to accurately predict the period of time your Shingles will last. This Limited Warranty, subject to its terms and conditions, provides you a remedy during the Term (as defined below) in the event a manufacturing defect causes your Shingles to fail to perform their intended purpose of shedding water.

Definitions - In this Limited Warranty certain capitalized words have specific meanings:

"Algae Relief" means Shingles which are covered by an Algae Cleaning Limited Warranty.

"Full Start Period" means the initial period of the Term during which TAMKO's obligation is not prorated and includes the reasonable cost of labor. The length of the Full Start Period is listed in Table 1.

"High Wind Application" means application of Heritage, Heritage Woodgate, Heritage Premium and Heritage Vintage Shingles in strict accordance with application instructions printed on the wrapper with the Shingles installed with six (6) fasteners in the locations specified for high wind application, and using TAMKO starter shingles at eaves and rakes. See local building codes for additional nailing requirements. If High Wind Application requirements are not followed, the Standard Application Wind Warranty (as set forth below) wind velocity applies.

"Labor Payment Certificate" means a certificate issued by TAMKO that may be redeemed to pay some or all of the reasonable cost of labor for roof repairs, cleaning algae from the roof, or replacement of any defective Shingles according to this Limited Warranty. The Owner must redeem certificates within 12 months after issuance to prevent expiration.

"Material Certificate" means a certificate issued by TAMKO and redeemable at participating distributors for a stated quantity of replacement shingles of the same type and color as the defective Shingles which are to be replaced. If shingles of the same type or color are no longer available, the Material Certificate will be for the closest TAMKO substitute available. Replacement shingles may not match the original shingles due to many factors, including but not limited to, normal weathering and manufacturing conditions. The Owner must redeem certificates within 12 months after issuance to prevent expiration.

"Medium Obligation" means the obligation of TAMKO described in the paragraphs titled "TAMKO Full Start Period" and "After the Full Start Period," whichever is applicable.

"Owner" means the owner of the building at the time the Shingles are installed on that building. If you purchase a new residence and are the first person to occupy the residence after its construction, TAMKO will consider you to be the Owner even though the Shingles were already installed.

"Purchaser" means someone who purchases from the Owner the building upon which the Shingles are installed, but only if the purchase occurs within the first five (5) years for Heritage, Heritage Woodgate, Heritage Premium and Heritage Vintage Shingles or within the first two (2) years for Elite Glass-Seal Shingles and the Owner and Purchaser comply with the requirements in this Limited Warranty in the section labeled "Transferability."

"Sales Square" means 80.4 square feet for Heritage, Heritage Woodgate and Heritage Premium Shingles produced in Phillipsburg KS, Tuscaloosa AL, Dallas TX, or Joplin MO and metric sized Heritage shingles produced in Frederick MD. "Sales Square" means 88.5 square feet for standard size Heritage Woodgate, and 100 square feet for standard size Heritage Premium shingles produced in Frederick MD. "Sales Square" means 100 square feet for Heritage Vintage shingles produced in Phillipsburg KS. "Sales Square" means 100 square feet for Elite Glass-Seal shingles produced in Frederick MD, Tuscaloosa AL, and Joplin MO.

"Shingles" means the TAMKO Shingles identified in this Limited Warranty which were installed on a building owned by the Owner.

"TAMKO" means TAMKO Building Products, Inc.

"Term" means the period of time this Limited Warranty lasts. The Term begins on the date of retail purchase of the Shingles and continues, unless sooner terminated, for the number of months set forth in Table 1.

TAMKO Full Start Period: If, during the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO will provide the Owner with a Material Certificate for replacement shingles to repair or replace such defective Shingles (or, at TAMKO's option, the reasonable cost of replacement shingles) and a Labor Payment Certificate that may be used to pay the reasonable cost of installing such replacement shingles, according to the terms of this Limited Warranty. This is TAMKO's Medium Obligation during the Full Start Period.

After the Full Start Period: If, after the end of the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO's obligation is limited to providing the Owner with a Material Certificate for replacement shingles to repair or replace such defective Shingles or, at TAMKO's option, the reasonable cost of replacement shingles. The reasonable cost of replacement shingles and the quantity of such replacement shingles will be prorated over the life of this Limited Warranty. This is TAMKO's Medium Obligation after the Full Start Period. TAMKO is not responsible for any cost of labor after the Full Start Period. Proration shall be determined by dividing the number of months remaining in the Term by the total number of months of the Term. For example, if TAMKO is notified of a warranty claim at a time when 100 months remain in a 300 month warranty Term, TAMKO's Medium Obligation is to provide a material Certificate for one third of the replacement shingles or, at TAMKO's option, payment

of one third of the reasonable cost of replacement shingles. The remaining cost shall be the responsibility of the Owner.

Both during and after the Full Start Period, the extent of replacement is at the sole discretion of TAMKO. TAMKO is not responsible for the cost of any materials other than the replacement shingles (as provided herein) including, but without limitation, underlayment, flashings, metal work, etc. TAMKO is not responsible for the cost of tear-off, removing or disposing of Shingles which are to be replaced. TAMKO reserves the right to arrange directly for your Shingles to be repaired, replaced or cleaned. The remedy under this Limited Warranty is available only for Shingles actually exhibiting manufacturing defects at the time the claim is settled. Replacement shingles will be warranted only for the remainder of the original Term. Tender of TAMKO's Medium Obligation shall extinguish all obligations of TAMKO under this Limited Warranty and all applicable implied warranties and conditions.

Notification to TAMKO: The Owner must notify TAMKO by telephone at 800-641-7190 or certified mail at P.O. Box 1404, Joplin, Missouri 64802-1404 of any claims under this Limited Warranty within thirty (30) days following discovery of the potential problem with the Shingles. The notice must include documentary proof of Purchase. Failure of the Owner to notify TAMKO as provided herein shall extinguish all obligations of TAMKO under this Limited Warranty and all applicable implied warranties and conditions. NOTE: Notice to your contractor, dealer, or home builder is NOT notice to TAMKO. You should keep this Limited Warranty for your records in the event you need to file a claim.

Right of Inspection and Time for Payment: TAMKO shall have a reasonable time after notification of a claim to inspect the Shingles. The Owner shall provide TAMKO with reasonable access to the Shingles for purposes of inspection. If requested by TAMKO, the Owner must complete and deliver to TAMKO, at the Owner's expense, a warranty questionnaire, photographs of the roof and samples of the Shingles. If reasonable access is denied or made subject to unreasonable conditions by the Owner, or if the Owner fails or refuses to cooperate in TAMKO's investigation of the complaint (such as by failing to provide sample Shingles or photographs or a completed warranty questionnaire), TAMKO's obligation under this Limited Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited Warranty, TAMKO will have a reasonable time after the inspection of the Shingles to process the Owner's claim. Unless authorized in writing by TAMKO, no claim for Shingles that have been replaced or repaired prior to resolution of your claim by TAMKO may be denied.

120 Month Algae Relief - Algae Cleaning Limited Warranty: If, during the initial twelve months after installation, Your Shingles become significantly stained by certain algae growth, including blue-green algae, TAMKO will issue to You a Labor Payment Certificate that may be used to pay the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of \$15 per one hundred square feet of affected roof area). After the initial twelve months after installation, the Labor Payment Certificate for the reasonable cost of cleaning will be prorated over the remaining months of this Algae Cleaning Limited Warranty by dividing the number of months remaining in the Algae Cleaning Limited Warranty by 120. For example, if TAMKO is notified of an Algae Cleaning Limited Warranty claim at a time when 40 months remain in the 120 month Algae Cleaning Limited Warranty, TAMKO's Medium Obligation is to provide a Labor Payment Certificate for one third of the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of \$5 per one hundred square feet of affected roof area). TAMKO shall have no obligation or responsibility for cleaning Shingles: (a) after the initial 120 months after installation, or (b) Shingles not significantly stained by algae growth.

Limited Wind Warranty: This Limited Wind Warranty applies only if: (a) the Shingles were installed in strict accordance with application instructions printed on the wrapper and (b) the Shingles have had the opportunity to cool down.

- Cool Weather Installation:** Shingles that are installed in cool seasons may not seal until weather conditions are adequate to allow the seal down strip to activate and may be vulnerable to blow-offs and wind damage that would not be covered under this Limited Warranty. Shingles that are not exposed to direct sunlight or adequate temperatures may never seal. Failure to seal under these circumstances is not a manufacturing defect and requires hand sealing.
- Remedy:** If conditions (a) and (b) have been met and during the Limited Wind Warranty term the Shingles are damaged or blown off by winds at or below the designated wind velocity (see Table 1) as a result of a manufacturing defect, TAMKO will process the Owner's claim in accordance with the sections titled "TAMKO Full Start Period" or "After the Full Start Period," whichever is applicable. Alternatively, TAMKO may, solely at its option, provide the Original Owner with a Labor Payment Certificate that may be used to pay the reasonable cost of manually sealing unsealed Shingles and replacing Shingles which have blown off and a Material Certificate for the number of Shingles that have blown off.
- How is Wind Exposure Determined?** Shingles will be conclusively deemed to have been exposed to winds in excess of the designated wind velocity for the product if the National Weather Service or other reputable weather agency records winds or gusts in excess of the designated wind velocity for the Shingles in the county, parish, regional district or municipality where the Shingles are installed or in any adjoining county, parish, regional district or municipality. Exposure of the Shingles at any time to winds or gusts in excess of the designated wind velocity for the product shall extinguish all obligations of TAMKO under this Limited Wind Warranty.

Exclusions from Coverage: There are many reasons why roofs fail, including but not limited to the following matters, all of which are beyond TAMKO's control. TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited Warranty or otherwise for:

- Shingles that have been: (a) improperly applied, stored or handled; (b) installed without adequate ventilation; or (c) not installed in strict accordance with application instructions printed on the wrapper and standard good roofing practices.
- Shading, staining, discoloration or damage from any cause whatsoever, including, but not limited to algae (except as provided in the Algae Relief - Algae Cleaning Limited Warranty set forth in this document), moss, fungus, overhanging trees, other biological growth, birds, or animals.
- Leaks or damages resulting from Acts of God (including, but without limitation, lightning, ice damming, wind (except as set forth in the Limited Wind Warranty), hurricane or tornado (regardless of wind velocity), hail, or other storm or casualty); acid rain; impact of objects; damage to a roof due to movement, settlement, distortion, failure, defects or cracking of the building or its roof deck, walls or

- foundation; or for any defect in or failure of material used as a roof base over which the Shingles are applied; or for damage by traffic on the roof.
- Damage to the Shingles as a result of exposure to chemicals including, but not limited to, aliphatic or aromatic solvents, chlorinated hydrocarbons, turpentine, oils or organic or inorganic polar materials.
 - Leaks or damage to the Shingles from any cause other than inherent manufacturing defect in the Shingles.

In addition to the foregoing, TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited Warranty or otherwise for direct or indirect economic damages, or for consequential, incidental or punitive damages of any kind (some states do not permit exclusion of consequential or incidental damages so this exclusion may not apply to you), damage to any building, either exterior or interior (including without limitation, mold growth), or any property contained therein or for injuries or damages of any kind whatsoever; or for removal or abatement of any asbestos present in the building on which the Shingles are applied.

Transferability: The Owner of Heritage, Heritage Woodgate, Heritage Premium and Heritage Vintage shingles may transfer this Limited Warranty one (1) time during the first five (5) years of the Term to a Purchaser of the building upon which the Shingles are installed. The Owner of Elite Glass-Seal shingles may transfer this Limited Warranty one (1) time during the first two (2) years of the Term to a Purchaser of the building upon which the Shingles are installed. The transfer must occur simultaneously with the sale of the building. To transfer this Limited Warranty, the Owner must provide TAMKO with written notice within thirty (30) days after the transfer. The written notice must include the names of the Owner and the Purchaser, the address of the building upon which the Shingles are installed, the date the Shingles were installed, and the date of the transfer. The Owner may transfer this Limited Warranty only one (1) time. Except for one transfer to a Purchaser as stated above, this Limited Warranty may not be sold, assigned or transferred in any manner whatsoever. Neither a Purchaser nor any other person may transfer this Limited Warranty. Except as set forth in this paragraph, any assignment, sale or transfer of this Limited Warranty or the building to which the TAMKO Shingles are applied shall immediately terminate all obligations of TAMKO for the Shingles, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose.

THE PREVAILING PARTY SHALL BE ENTITLED TO RECOVER ITS COSTS AND REASONABLE ATTORNEY'S FEES.

Class Action Waiver: You and TAMKO AGREE THAT ALL CLAIMS, DISPUTES, OR ACTIONS BETWEEN US ARISING FROM OR RELATING TO THE SHINGLES AND/OR THIS LIMITED WARRANTY WILL BE ARBITRATED (OR, IF ARBITRATION OF THE ACTION IS NOT PERMITTED BY LAW, LITIGATED INDIVIDUALLY AND EACH PARTY WILL CONSOLIDATE OR SEEK CLASS TREATMENT FOR ANY ACTION UNLESS PREVIOUSLY AGREED TO IN WRITING BY BOTH YOU AND TAMKO.
