SATISFACTION GUARANTEE

Floor Coverings International (FCI) sets standards of acceptability on floor covering products and subcontracted installation services which exceed industry standards. Floor covering products carry specific manufacturer warranties; some of these warranties include wear warranties, stain resistance warranties, and flame retardant properties. Ask your FCI representative for the warranties applicable to the product you purchased. Installation warranties are provided by the installation company contracted to install your flooring. FCI uses reasonable efforts to contract with reputable installation companies who guarantee their work, but is not liable for the conduct of the installation firm.

DISPUTES

Should litigation occur, all parties agree, the non-prevailing party shall incur the reasonable attorney fees and cost of litigation of the prevailing party. Any contractor, subcontractor, or materialman who provides home improvement goods or services pursuant to your home improvement contract and who is not paid may have a valid legal claim against your property known as a mechanic's lien. Any mechanic's lien filed against your property may be discharged. Payment of the agreed upon price under the home improvement contract prior to filing of a mechanic's lien may invalidate such lien. The owner may contact an attorney to determine his rights to discharge a mechanic's lien.

4. Buyer agrees to allow Seller to inspect and endeavor to correct any condition complained of, and that refusal to allow either constitutes a waiver of Buyer's rights to assert a claim or file suit against Seller.
5. Buyer and Seller agree that this contract is the complete agreement between the parties, and that everything which the Buyer expects the Seller to perform is written hereon; Buyer and Seller further agree that this contract can be modified in writing only.
