

Seller's Interview

711 Walton Street, Houston, TX 77009

Why did you decide to buy this home?

We wanted a place inside the loop that had a yard and a garage and was affordable. Then we were able to put our stamp on it while preserving the Heights Bungalow feel. It's spacious, light, quirky, and has a wonderful neighborhood. It's distinctive with its corner lot and giant tree out front with picture window. We loved it immediately and still do!

What do you think are the best features of your home?

All the natural light, HUGE master bedroom with separate vanity/dressing area, fully fenced property, climate controlled garage, leathered taj mahal quartzite counters, one-of-a-kind copper stair rail, original claw foot tub (1925) and other original pieces of the home kept to preserve history and generations that lived there before us. * And we weren't even close to flooding during Harvey! *

What do you like best about your neighborhood and surrounding areas?

Across-street neighbor lived in neighborhood for over 50 years, along with his son who lives down the street. Our next door neighbor is lovely as are others on the block. Montie Beach is like a small, eclectic town where everyone walks, kids play, and neighbors wave and smile. But you're only 5 minutes from downtown. Also enjoy the rest of the Heights - Lights in the Heights, White Linen Nights, and more.

What are your favorite places for recreation, shopping, eating and playing nearby?

D+I Drive Inn! (dog friendly, local spot) Hey Darlin' Saloon, Stardust Inn, the Original Shipley's Donuts, Cantina Barba, Spanish Flowers Mexican Food, Pinkerton's BBQ - ALL WALKABLE!

We love Montie Beach Park to walk dogs and use playground/splash pad. You're a 2-minute drive to Houston Farmer's Market and El Bollito bakery. And 5-minute drive (or less) to 19th street shops and restaurants.
