Meet the Sellers!

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

1 Why did you decide to buy this home for yourself?

We purchased this home because it offered the perfect balance of comfort, convenience, and low-maintenance living. The open layout creates a bright welcoming space that is great for everyday living and entertaining. We also love how much natural light fills the home throughout the day. The ample storage throughout the kitchen and the rest of the home made it very practical. We also love the convenient location, close to all major areas of Houston. The new gate around the community has been a great new addition.

2 What do you think are the best features of your home?

The quaint, private patio, the large kitchen, the large storage/closet spaces, and the overall layout of the kitchen and downstairs area. The finished out garage is perfect for hobbyists.

3 Please tell me about your neighborhood.

The overall community is very welcoming and friendly. The property is also very well maintained. There is a nice outdoor green space with a walking trail - next to the pool and playground.
