Everything you need is in our lockbox: **the unit key and a building fob.** The fob opens the front door and takes the elevator to the 6th floor.

WHERE THE LOCKBOXES ARE

Under the building overhang, to the left of the main lobby doors. Follow the arrow to the lockbox wall.

WHICH BOX IS OURS

Bottom rail, far right (circled). The small black box.

FOUR STEPS TO THE DOOR

1

Open the lockbox

Take out the unit key and the fob.

2

Enter the lobby

Tap the fob at the front door to unlock it.

3

Take the elevator

Call the lobby elevator, tap the fob, and select floor 6.

4

Turn left

Step off the elevator on 6 and turn left to the unit.

> **Before you leave:** please return both the key and the fob to the lockbox and lock it so the next showing goes just as smoothly. Questions at any point, call or text Kayleen at 832-904-5049.
