Policy number: **436 907 297**
Policy effective date: July 26, 2026

The following endorsement changes your policy.
Please read this document carefully and keep it with your policy.

Policyholder Disclosure Notice Of Terrorism Insurance Coverage – AP3337-4

The federal Terrorism Risk Insurance Act, as amended, (the Act), establishes a temporary federal Program (the federal Program) providing for a system of shared public and private compensation for certain insured commercial property and casualty losses resulting from "acts of terrorism," as defined in the Act.

The Act, as amended in 2019, defines an "act of terrorism" as any act or acts that are certified by the Secretary of the Treasury —in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Your insurance coverage includes coverage for losses caused by "acts of terrorism" to which the federal Program applies. This coverage is subject to all other terms, conditions, limitations and exclusions of **your** policy.

Disclosure Of Federal Share Of Compensation For Insured Losses

Insured losses caused by "acts of terrorism" to which the federal Program applies would be partially reimbursed by the United States Government under a formula established by federal law. Under that formula, the United State s Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

You should also know that the Act, contains a $100 billion cap that limits United States Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds $100 billion. If the aggregate insured losses for all insurers exceed $100 billion, **your** coverage may be reduced.

Disclosure of Premium

The portion of **your** annual premium that is attributable to coverage for losses caused by "acts of terrorism" to which the federal Program applies is $0.00.

Dwelling Profile

Your Dwelling Protection–Coverage A limit is: $265,707

The Dwelling Protection–Coverage A limit shown above, which is based on information that you have provided to us, is also shown on the enclosed Policy Declarations for your insurance policy.

The decision regarding the limit amount applicable to your Dwelling Protection-Coverage A is your decision to make, as long as, at a minimum, you purchase a Coverage A limit equal to the estimated cost as determined by Allstate and do not exceed maximum coverage limitations established by Allstate (we will let you know if the amount of insurance that you request is greater than that which we allow).

It is important to keep in mind that the minimum Coverage A limit for which we will insure your property reflects an estimated replacement cost based on selected data that was available to us when we made this estimate (this information is described further in the "Rating Information" section of your Policy Declarations). The actual amount it will cost to replace your covered property cannot be known until after a covered total loss has occurred, so it is important that you let us know now, before a covered total loss occurs, if you would like to change your Coverage A limit.

How is the replacement cost estimated?

Many factors can affect the cost to replace your property, including age, size, and type of construction. For example, the estimated replacement cost uses construction data, such as labor and materials that are available to us when we made this estimate. This estimate is also based on characteristics of the property, which include information that you provided to us. Please note that if you have chosen to insure your dwelling for a limit that is greater than our estimate (which is the minimum amount for which we will insure your dwelling), the amount shown above actually reflects this higher amount. If you would like to make any changes to the Coverage A limit, please contact us.

Note to customers renewing their policy

The estimated replacement cost for your property may have changed since your last renewal. This is because Allstate uses the property characteristics that you have provided to us to recalculate and update the estimated replacement cost. Using updated labor and material rates for your zip code, Allstate takes the property characteristics that you have provided and determines the updated estimated replacement cost. The information about your property's characteristics is provided in the "Rating Information" section of your Policy Declarations.

Please note: Your Dwelling information is used to estimate your home replacement cost. It's important to review and update this information so we're using the most accurate details to estimate your home's replacement value.

If the information about your property shown in your Declarations requires any change or if you have any questions or concerns about the information contained in this Important Notice, please contact your Allstate representative.

Additional Information About Dwelling Protection Limits

Your policy includes a feature called "Property Insurance Adjustment" (PIA). PIA reflects changes in construction costs in your area that may have occurred during the policy period.

We would like you to know that your policy's PIA recently indicated that construction costs in your area have increased. Based on this information, we have automatically increased your Dwelling Protection-Coverage A limits.

However, it is ultimately your responsibility to consider whether the changes we have made are sufficient for your insurance needs. It is important for you to understand that these are only estimates and the new limits of your policy may not provide sufficient coverage in the event of a loss. For example, if you have done any remodeling to your home which has not been updated in our records, your home's replacement cost may be higher than our current records indicate. In that case, you may want to increase your limits to reflect such changes. Conversely, there is a possibility that your new limits may provide coverage in excess of the actual replacement cost of your home. For example, if you originally decided to insure your home at an amount that exceeded the estimated replacement cost, you may want to call your Allstate representative to discuss the current value of your home and the possibility of lowering your limits.

If you have any questions about PIA, or your policy in general, please contact your Allstate representative.

Information Regarding Flood Damage Coverage

Texas law requires that we provide you with this notice regarding flood damage coverage.

Please read this notice carefully. In addition, it is important to read all of your property policy documents to confirm the coverage your policy provides.

NOTICE

- **Flood Insurance: You may also need to consider the purchase of flood insurance. Your insurance policy does not include coverage for damage resulting from a flood even if hurricane winds and rain caused the flood to occur. Without separate flood insurance coverage, you may have uncovered losses caused by a flood. Please discuss the need to purchase separate flood insurance coverage with your insurance agent or insurance company, or visit www.floodsmart.gov.**

If you have any questions about this notice or your policy coverage, you can contact your Allstate Agent or representative, call 1-800 ALLSTATE® (1-800-255-7828), or visit www.allstate.com. We're here to help!

An Explanation of Your Premium Changes

On your Declarations Page, just below your total premium, we've shown the amount of any increase or decrease to your total premium, and what amount (either an increase or decrease) is due solely to a rate change Allstate has made. To be sure you understand how we arrive at the descriptions of these premium changes, here's an additional explanation:

"Total Premium Increase/Decrease" is the difference in price between the upcoming policy period and your current policy period. It consists of changes after taking into account all of the factors that affect the price of the policy, including but not limited to: rate changes, changes in discount and surcharge eligibility, changes in coverages, coverage limits and deductibles. And if you requested a change to your policy, the "Total Premium Change" reflects that increase or decrease as well (based on the entire policy period, even if you made the change mid-way during your policy period).

"Increase/Decrease Due to Rate Change" refers only to the total premium change that is based on changes Allstate has made to base rates, rating plan factors, or rating rules as filed with the Texas Department of Insurance.

If you have any questions about a change to your premium, or about your insurance in general, please contact your Allstate representative or call us toll-free at 1-800-ALLSTATE.

You Have the Option to Request a Reorder of Your Credit Information

As you know, at the time you applied for your Allstate policy, we obtained your credit information and based your premium partly on that information. We've found that certain data from credit reports has proved an effective predictor of insurance losses, enabling us to keep insurance costs as competitive as possible for the greatest number of policyholders. This information helps us control the cost of insurance and make insurance more available. However, please be aware that we use credit information in addition to, not instead of, other factors.

You Can Request a Credit Reorder

Generally, we do not automatically reorder your credit reports when your policy renews. However, it may be necessary for Allstate to reorder your credit reports under certain circumstances such as whenever we introduce a new way to calculate our policyholders' insurance rates or we are required to do so by law. In Texas we are required to order your credit reports not less than every 36 months. Under these circumstances, Allstate may reorder your credit reports without further notice.

Prior to your renewal, you have the option to request that we reorder your credit reports and adjust your policy rating based on this new review. (Note that you can only make this request once each year.) This gives you the opportunity to decide whether you want us to renew your policy using the current credit information we have for you or offer you a renewal policy with a rate based, in part, on credit information that may have recently changed.

How to Request a Review

To request that we reorder your credit reports, simply contact your Allstate representative prior to your policy's renewal effective date. At that time, we will order and review credit report(s) for you and your spouse** (if any). Please keep in mind that as a result of this review, you could see a higher or a lower premium. Also, please be aware that any premium

060 072 070 260610S004865 00000043690729726061OS004865PRO
PROR16TX20260611001154O1A-000173-005-0-00-00

change may not be applied until the period after your policy's upcoming renewal cycle, if your policy renews. You may want to speak with your Allstate representative about this premium impact and whether or not you want us to reorder your credit reports.

Please keep in mind that because Allstate is not assessing credit-worthiness, the information we consider from credit reports is not the same as that considered by a financial institution. For example, credit report information that would lead a bank to offer you a lower interest rate on a loan will not necessarily lower your insurance premium.

Key Factors That Can Affect Your Credit-Based Insurance Score

We review information from your credit history to develop your "credit-based insurance score," which is based on items such as the presence of public records, collections or delinquencies, number of accounts you have opened, length of account history and frequency of non-promotional inquiries into a credit report.

When thinking about the types of events or factors that may improve or worsen your credit-based insurance score and how you can influence it, keep the following in mind. Note that these are meant to be general guidelines and the specifics of your individual credit history will determine your individual credit-based insurance score.

Behaviors That Can Contribute to a Better Credit-Based Insurance Score

- Keep low balances in relation to the credit limits on each account.
- Always pay in a timely fashion—avoid late payments or collections of any type.
- Minimize the number of newly opened credit accounts by opening new accounts only as needed.

Behaviors That Can Contribute to a Worse Credit-Based Insurance Score

- Carrying high balances in relation to the credit limits on each account.
- Not paying in a timely fashion (late payments, collections or judgments).
- Frequently opening new accounts.
- Going through bankruptcy.

Who to Contact for More Information

If you're interested in the option of re-ordering credit report information, or if you have any other questions about our rating practices, please contact your Allstate Agent or call us toll-free at 1-800-ALLSTATE (1-800-255-7828). You can also learn more about the use of credit information and insurance by logging on to our website at allstate.com. We want to help you make the best possible decisions about your insurance.

** The term "spouse" in this notice includes civil partners, domestic partners or any similar relationship, if any, recognized by the laws of this State that provides couples entering into civil unions, domestic partnerships, or similar relationships the benefits, protections and responsibilities under law as are granted to spouses in a marriage in this State.
