- Washer and dryer included with the home.

What We Love About Coles Crossing

One of the things I've loved most about living in Coles Crossing is raising our kids in such a wonderful neighborhood. The extensive walking and biking trails, beautiful surroundings, and incredible amenities have made it a special place to call home.

The neighborhood has two swimming pools, a great gym, tennis courts, and pickleball courts. There are also so many community events throughout the year that bring neighbors together and create a true sense of community.

Having an elementary school right in the neighborhood has been another wonderful feature. There are always kids outside playing, families enjoying the outdoors, and people walking the trails. It's the kind of neighborhood where you feel connected to the people around you.

Coles Crossing has been a wonderful place to raise our family, and we've truly loved being part of this community.
