Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

1. Why did you decide to buy this home for yourself?
   This was our first home after living in a rental house for several years and was a perfect starter home to build our family and enjoy the walkability of the Heights/Shady Acres area. We enjoyed the layout and open floor plan that fit our family well and allowed our large extended family to share many memories here.

2. What do you think are the best features of your home?
   Open kitchen to living space, tall ceilings, large backyard including a deck, and the oversized primary suite

3. Tell me about your neighborhood.
   The house sits on the edge of the Shady Acres/Heights border and provides the flexibility of the newly built Shephard/Durham walking/biking sidewalks and only half a mile from the Nicholson Trail that connects to the MKT Trail and the Buffalo Bayou.

4. What are your favorite places for recreation, shopping, and eating nearby?
   We love to walk half a mile to the Nicholson Trail and finish up with breakfast at Common Bond nearby or for longer run we enjoy going 1.5 miles to the MKT Area or the Heights Farmers Market. Additionally, we love trying all the restaurants nearby including Burger Joint, Squable, and Moon Rabbit.

5. Are there any items you want specifically excluded?
   No
